AIR CON SERVICE STATION TWIN PACK R134A AND R1234YF REFRIGERANT

Advantages of the Twin Pack over the Dual Machine

- Double your profitability with 2 separate machines
- No down time to change refrigerant type with a Twin Pack
- No chance of cross contamination of the refrigerants.
- If a dual machine breaks down neither refrigerant can be used.
- R134A systems will require service/repair for the next 20 years
